INTRODUCTORY.

We take pleasure in presenting herewith the Hyde Park Directory and Register for 1893 and 1894. We have endeavored to execute our work, in its various departments, in a manner that shall commend it to our patrons and the general public. Every facility suggested by long and varied experience in the business has been made use of, and neither pains nor expense has been spared. May we not, on our part, expect a pecuniary support that shall do credit to the characteristic public spirit and enterprise of Hyde Park?

We extend our thanks to all who have aided in the prosecution of the present issue.

Respectfully yours,

MASS. DIRECTORY PUBLISHING CO.

Tuttle's

Elixir.

THE GREAT CURE FOR MAN AND BEAST.

BOSTON, MASS., August 5th, 1892.

DR S. A. TUTTLE: Dear Sir,—My horse "Dandy," had a sore on his side last winter, and I had it doctored six months. At your suggestion last month I had applied your Elixir diluted with water. I also gave him some of your Condition Powders which affected an immediate cure. I also had the Elixir applied to some bleeding warts on my cow's teats, and there it effected a cure. My man tried it for his Rheumatism, which was so bad that he expected to be obliged to give up work, and it relieved him at once and now he is nearly well. Having these several cures inside of a month, I thought it only justice to you to know the facts, I am.

Yours truly, A. R. WHITTIER.

Tuttle's Family Elixir. If not satisfied, money refunded. This Elixir is the latest discovery of the age, and exceeds all other liniments in relieving pain, for man or beast, and making permanent cures. For man it will cure Rheumatism, Sprains, Bruises, Lame Back, Burns, Neuralgia, Headache, Sore Throat, Toothache, Earache, Stiff Neck, Contracted Cords, Frost Bites, Chilblains, Corns, Bunions, Cold Sores, and anything that requires a liniment. Also sure cure for Cough. Sure cure for Cholera, Cholera Morbus and Diarrhœa.

The floors are made of cement and the only wood used in construction is in the doors and window frames. The Vaults are provided with every safeguard and at night are placed in the direct charge of police headquarters by our own Electric Burglar Alarm.

The use of the magnificent Reading Room, illustrated above, which is maintained for the sole use of safeholders, without extra charge, is a facility provided by no other Safe Deposit Company in the world and is worth the price of a safe as a rendezvous for business appointments and a convenient place in the heart of the business portion of Boston for news reading and correspondence.

Nearly eight hundred new safes have been placed in the lower Vault this year to meet the steady growth of business which, per contra, makes it possible for the Company to add to the security which it provides by adopting every possible safeguard.

West River Street, Hyde Park, Mass.

A great scheme by which you can get a custom-made Pant at a price lower than ever before offered. By contracting for all the sample ends and remnants of the leading New England worsted and fancy cassimere mills, we can give you a FIRST-CLASS custom-made Pant at prices lower than ready-made. Owing to the extensive competition in the woolen business and the unlimited variety of styles necessary to make to please the trade, the manufacturers to-day are making from 50 to 75 per cent. more sample ends and remnants than they were a few years ago. Having contracted *for all* of these goods at such frightfully low figures we can give you the best Pant in the market for the money.

We use nothing but *strictly all-wool*, and our fine Worsted stripes can only be found at leading custom tailors at prices from $8 to $12 per pair. Our prices are more than 50 per cent. lower. Send us a postal card and we will call, submit samples, and take your measure, or we would be pleased to send you samples by mail.

Remember *OUR PRICES ARE LOWER* than ready-made.

We also make a specialty in woolen remnants of every description. Cloths for Ladies' Capes, Jackets, Cloaks and Ulsters. Dress Goods. Short pieces for Boys' Pants, etc.

BOSTON, MASS., August 5th, 1892

DR. S. A. TUTTLE.

DEAR SIR: — My horse "Dandy," had a sore on his side last winter, and I had it doctored six months. At your suggestion last month I had applied your Elixir diluted with water. I also gave him some of your Condition Powders, which effected an immediate cure. I also had the Elixir applied to some bleeding warts on my cow's teats, and there it effected a cure. My man tried it for his Rheumatism, which was so bad that he expected to be obliged to give up work, and it relieved him at once, and now he is nearly well. Having these several cures inside of a month, I thought it only justice to you to know the facts. I am,

Yours truly,

A. R. WHITTIER

Tuttle's Family Elixir. If not satisfied, money refunded. This Elixir is the latest discovery of the age, and exceeds all other liniments in relieving pain, for man or beast, and making permanent cures. For man it will cure Rheumatism, Sprains, Bruises, Lame Back, Burns, Neuralgia, Headache, Sore Throat, Toothache, Earache, Stiff Neck, Contracted Cords, Frost Bite, Chilblains, Corns, Bunions, Cold Sores, and anything that requires a liniment. Also sure cure for Cough. Sure cure for Cholera, Cholera Morbus and Diarrhœa.
